**Evening Worship Service**

# **Summer News**

As a new ministry initiative of the Ladies Evening Fellowship the ladies are planning to cover books for local school children who may not have supplies for school. We will get together on Saturday 19 January, 2019 in the Parlour at about 10am to cover and label the books. We would love to have you come along. Even if you are not confident at contacting there will be other things you can assist with. Morning tea will be provided. See Donna Kenny or contact the Church Office if you have any questions.
